

Installing and Configuring Windows Server 2012 (MS20410)

Introduction

This exam is part one of a series of three exams that test the skills and knowledge necessary to implement a core Windows Server 2012 infrastructure in an existing enterprise environment. Passing this exam validates a candidate's ability to implement and configure Windows Server 2012 core services, such as Active Directory and the networking services.

To complete the complete Microsoft MCSA Server 2012, 2 other modules needs to be taken.

MS20411 - Administering Windows Server 2012

MS20412 - Configuring Advanced Windows Server 2012 Services

Target Audience:

This course is for IT professionals who have hands-on experience with the Windows Server.

Certificate Of Attendance :

Certificate Of Attendance will be awarded to participants completing the course achieving minimum 75% attendance.

Training Duration:

Full-time: 5 Days

Time : 9.30am – 5.30pm

Exam Fee :

Course : S\$1,999 excluding Microsoft Exam

Regn Fee: S\$50 / Exam Fee : S\$296 (Includes S\$50 exam proctor fee)
